

## Rates Segesta Parking Archeodromo

**Valid until  
31-10-2018**

We have the pleasure to inform all travel agencies, tours operators, guides, car rentals companies, and all tourist operators, that segesta has finally its own functioning parking area. Thanks to the synergy of all interested parties the parking is now operating and functioning and at the service of the entire archeological park of Segesta.

*The new parking area complies with current laws and regulation and is also covered by insurance policy for users and vehicle parked in the area. Further works are in progress to improve usability and all related services*
